FOR BEAUTIFUL FLOWERS

TUBEROUS BEGONIAS

Large, brilliant colored flowers of varied form and indescribable luxuriance. You must raise them to fully appreciate their beauty. Requiring shade, Tuberous Begonias are the solution to many planting problems and afford something different for pots or window boxes. Long blooming, they will provide outdoor flowers until frost. Start tubers early and plant out of doors when weather is warm. Insects and disease seldom bother Tuberous Begonias.

WE OFFER THE FOLLOWING TYPES IN STRONG, VIGOROUS TUBERS

Guaranteed to satisfy

GIANT DOUBLE (Camellia type) Mixed colors, 25¢ each; \$2.50 per dz.
" " " Scarlet only, 30¢ each; \$3.00 "
